**09/119 Public Session**

Mr. Gwynne Nutting brought to the attention of the meeting correspondence from Borough Traffic Officer, Nick Kitchen, which indicated an intention to alter the speed limits for the entire length of the A4169/A5223. There was some concern that the 30mph limit would be removed (altered to 50) on the approach to the Horsehay roundabout from the Jiggers Bank section. Mr. Nutting stated that traffic using that section of the road did not slow down on the approach to the roundabout and that residents were concerned that the proposals would make the road the fastest none E.P. road in Telford.

The Chairman stated that the Parish Council had considerable concerns over the proposal, not least because it had no knowledge of the proposals and it appeared that the Borough Officer had not felt it necessary to consult the parish council. The Chairman felt sure that, now it had become aware of the proposals, the parish council would invite Mr. Kitchen to a future meeting to

allow the matter to be aired.

Borough Councillor Tracy Hope assured Mr. Nutting that she would look into the matter on his behalf.

The Chairman gave notice of the next PACT meeting which was to take place on the 16<sup>th</sup> February when residents would be able to talk to PC Atkinson with their policing concerns.

***7:32 p.m. the members of the public left the meeting.***

Cllr. Hope stated that she had been looking into a number of speeding issues in the Borough. The meeting briefly discussed speed limits in the area.

The Chairman gave an update on the progress of a request by a resident for a disabled parking space.

Members discussed the gritting of roads (or apparent lack of it) during the recent icy weather.

***7:45 p.m. Borough Councillor Clive Mollett joined the meeting.***

Cllr. Haire asked Cllr. Mollett if he could provide any information as to the progress of promised repairs to the Aqueduct. Cllr. Williams started that the Aqueduct was in Cllr. Helen William's ward and she was dealing with the matter. The Clerk was asked to invite Cllr. Williams to a meeting where she could inform council of any progress.

Cllr. Mollett gave a report on the repair of pot holes.

The meeting discussed PACT and the youth bus. The Chairman informed the meeting that he had volunteered to drive the bus and was due to undertake training.
